

“SCHOOL-HOME COMMUNICATION”

Making Your Day means that your child has been responsible for coming to school ready to learn. Specific responsibilities that have been followed through on include:

1. *Being prepared with materials for class.*
 - a) *Pencils, texts, notebooks, etc.*
2. *Behaving as expected in the classroom, in the cafeteria, on the playground, and on campus.*
3. *Being actively involved in learning.*
 - a) *Tuned into lesson being presented.*
 - b) *Keeps attention directed to the task on hand*
 - c) *Listening.*
 - d) *Following through on work.*
 - e) *Participating in appropriate activities in class.*
4. *Putting forth maximum effort according to each individual's learning style.*
5. *Choosing appropriate methods for solving peer interaction problems such as:*
 - a) *Reporting to teacher on playground or in the classroom.*
 - b) *Walking away.*
 - c) *Talking the situation through.*
6. *Acknowledging impact of their actions on others.*
7. *Accepting and giving constructive suggestions in a helpful way.*

This is a celebration that your child took responsibility today when he/she had difficulty following school expectations. Your child has identified some behaviors that kept him/her from their best learning. Consequences at home are not expected. What would be most helpful for your child is that you take the time to discuss these items with your child and, together, develop a plan that will help them reach their potential. Thank you.
